**RE: TEMPORARY SUSPENSION OF ENFORCEMENT OF
CHAPTER 11.10 OF THE ANAHEIM MUNICIPAL CODE**

In response to community concerns, recent case law developments and to ensure we are providing our officers with updated training in this area, the Police Department, in consultation with the City Attorney's Office is reexamining the application and enforcement of Chapter 11.10 of the Anaheim Municipal Code (AMC): Camping and Storage of Personal Property in Public Areas.

Effective immediately, enforcement of this Chapter and any subsection(s) within it is suspended until further notice. This notice should not be interpreted to presume that any prior enforcement of this Chapter was done inappropriately; rather, this opportunity will be used to further scrutinize the language and intent of the Chapter, and to develop and implement any necessary training to ensure it is applied and enforced within the law and according to its intent.
