24 I, JEAN PASCO, declare:

25 1. I am the Public Information Manager for the County of Orange. I have personal
26 knowledge of the following, except where I have indicated my knowledge is based upon
27 information and belief, and would and could testify competently thereto.

28 //

1 2. As Public Information Manager, I work for the County Executive Office. My
2 duties include receiving and responding to requests for documents made pursuant to the
3 California Public Records Act (“CPRA”), Government Code section 6250, et seq.

4 3. I began my current position as Public Information Manager in October 2013, after
5 transferring from my previous position as Director of the Orange County Archives, a division of
6 the Orange County Clerk-Recorder Department.

7 4. Prior to becoming a County employee in 2006, I spent 26 years as a reporter for
8 various publications, including the Los Angeles Times, the Orange County Register, the San
9 Clemente Sun-Post and the Prescott [AZ] Courier. In my career as a journalist, I became very
10 familiar with the CPRA and the federal Freedom of Information Act (“FOIA”), which I used
11 frequently to obtain information from public agencies. I have 26 years of experience with and
12 knowledge of the circumstances and allowable exemptions for the release of public documents.
13 I also was involved in a handful of cases where the publications for which I worked brought
14 actions pursuant to the CPRA and FOIA for access to records that I had requested and was
15 denied for stories I was researching.

16 5. On Monday, January 18, at 9:45 a.m., I received an email in my County email box
17 requesting documents pursuant to the CPRA from Kasey Reinitz, executive assistant at the Flash
18 Report, an online publication and blog. The email requested “the status and all documents of all
19 negotiations, offers and counteroffers, supposals, formal or informal between the County of
20 Orange and the Association of Orange County Deputy Sheriff’s (sic).” A true and correct copy
21 of that January 18, 2016 email is attached hereto as Exhibit “A.”

22 6. Because January 18, 2016, was a County holiday (Martin Luther King Day), I
23 responded to the requester on Tuesday, January 19, 2016, at 9:23 a.m. that I would check with
24 HRS [Human Resource Services] to determine what responsive records we had, and that I would
25 get back to her. I then followed County protocol to alert my supervisors and others to the
26 request. A true and correct copy of my email response is attached hereto as Exhibit “B.”

27 7. As of the date of the request, we were able to locate responsive records that we
28 were intending to release on January 29, 2016, which is the deadline for our initial response.

1 These records consist of two Association of Orange County Deputy Sheriffs (“AOCDS”)
2 proposals for a salary reopener and a net pay survey. I am informed and believe that AOCDS
3 was informed, through counsel, that the release would occur on that date unless the County was
4 enjoined from releasing the records.

5 8. The January 18 CPRA request from the Flash Report was actually the fourth
6 CPRA request for records pertaining to labor negotiations that I have received while acting as
7 Public Information Manager for the County of Orange. In the other three instances, all
8 involving records relating to negotiations with the Orange County Employees Association
9 (“OCEA”), the records were provided to all requesters.

10 9. For example, on December 21, 2015, at 8:53 a.m., I received a CPRA request from
11 Kathy Moran, a former County employee, for the proposals and counterproposals that the
12 County and OCEA exchanged in 2015 resulting in the 2015-18 OCEA Memorandum of
13 Understanding, which was slated for approval by the Board of Supervisors during a special
14 Board meeting scheduled for December 23, 2015. I provided the records requested to Ms.
15 Moran on December 22, 2015, in four separate emails totaling 40 MB of data. The records
16 consisted of 32 proposals and counterproposals as well as a copy of the signed negotiation
17 ground rules between the County and OCEA.

18 10. In addition, on December 24, 2015, I received a telephonic request from Jennifer
19 Muir, OCEA’s general manager, for the OCEA documents provided to Kathy Moran. I
20 provided the documents to Ms. Muir on December 24, 2015.

21 11. Finally, on December 29, 2015, I received an email request for those same OCEA
22 records from Meghann Cuniff, a reporter with the Orange County Register. I provided the
23 documents to Ms. Cuniff on December 29, 2015.

24 12. In my experience dealing with records requests pursuant to the CPRA, these types
25 of records pertaining to labor negotiations are public documents that are subject to disclosure. I
26 could find no applicable exemption under the law that would justify withholding these records,
27 which is why, after extensive discussion with County Counsel, I readily disclosed the OCEA
28 records on the three prior occasions described above. It is for these very same reasons that I

1 believe the records sought by the Association of Orange County Deputy Sheriffs in this instance
2 are public documents that are also subject to disclosure. I could find no applicable exemption
3 under the law for withholding these records.

4 I declare under penalty of perjury under the laws of the State of California that the
5 foregoing is true and correct.

6 Executed this 28th day of January, 2016, in Santa Ana, California.
