December 8, 2016

Mr. Neal Kelley
Orange County Registrar of Voters
1300 South Grand Avenue, Building C
Santa Ana, CA 92705

Dear Mr. Kelley:

RE: Request for Recount of Measure OO – Election of November 8, 2016

I, James Makshanoff, a registered voter of the City of San Clemente, do hereby request that the Orange County Registrar of Voters' Office recount the results of the November 8, 2016 election as it relates to Measure OO, City of San Clemente, Increase in "Hotel" Guest Tax. Please recount the votes utilizing the electronic recount option for the electronic ballots cast on election day. My recount request is filed on behalf of the affirmative position on the subject measure.

I would appreciate your office recounting the ballots commencing with the lowest precinct number and proceeding with higher-numbered precincts in sequential order.

Enclosed is a check in the amount of \$6,324.66 to cover the set-up fees. I agree to pay, via credit card, \$2,400 per day to cover that day's recount services. A representative from my office will email you early each morning with an authorization to charge \$2,400 to the City credit card until the recount is complete, or until you receive written notice to discontinue the recount.

Thank you in advance for your assistance in this matter.

Sincerely,

James Makshanoff
City Manager
