They just broke the law by serving my client personally today.. an old man who has a heart condition.. They know what they are doing... So I want to do something illegal to them back.. actually who knows where Jerrold Abeles' son attends school? I dont know Robie's family situation... please tell me all u know. I would rather bypass the step of following those lil fux for a few days and get to the payback. Thanks in advance. All replies off line please....
