RE: Fence Along Parcel APN 439-051-14

Mr. Johns,

The County of Orange ("County") is in receipt of the letter from Rutan & Tucker, dated July 8, 2021, on your behalf regarding County owned property identified as APN 439-051-14 ("Subject Property"), which has been enclosed by a fence as part of your adjacent property. This letter does not respond to that letter, and nothing herein should be taken as an agreement with any of the contentions therein. Notwithstanding this fact, County staff has had the opportunity to discuss the Subject Property with the Board of Supervisors and has received direction with regard to this matter. The County will not be taking any action related to the Subject Property or the fence that currently encloses the Subject Property.

Please be aware that the Subject Property is still owned by the County and is identified as open space. As such, it should remain in that natural state and no inconsistent activities should take place thereon. Thank you for your cooperation in this matter. If circumstances change, we will let you know in advance.

Sincerely,

Thomas A. Miller
Chief Real Estate Officer
