Dear Chairman Do:

On behalf of Orange County Business Council (OCBC), the leading voice of business in Orange County, I am writing to express my enthusiastic recommendation of Peter Baronoff, CEO of KPC Health, to fill the vacant seat on the CalOptima Board of Directors.

Under Mr. Baronoff's excellent leadership, KPC Health operates four renowned acute care hospitals in Orange County. These providers deliver exceptional health care services to Orange County's community, connecting residents in need of critical care with an accomplished network of medical professionals. During his decades-long career of leading acute care hospitals, Mr. Baronoff has demonstrated a continued commitment to his community. Additionally, his unique experience as a former City Council Member equips him with a comprehensive understanding of the intersection between the public and private sectors.

OCBC is fortunate to have Mr. Baronoff serve on its Board of Directors, where his expertise has been invaluable. Mr. Baronoff's comprehensive knowledge of complex hospital issues would make him a vital addition to the CalOptima Board of Directors as well. OCBC attests to Mr. Baronoff's ability to help CalOptima achieve its mission of providing its members with access to quality health care services in a cost-effective and compassionate manner.

For these reasons and more, OCBC is proud to support Peter Baronoff to fill the vacant seat on the CalOptima Board of Directors.
