**Re: SANTA ANA POLICE OFFICERS' ASSOCIATION
CEASE AND DESIST FROM ANY CONTACT**

Dear Mr. Camacho:

This law firm serves as general counsel to the Santa Ana Police Officers' Association (SAPOA), in which capacity I write today. Recently you have begun to harass and attempt to intimidate certain members of the SAPOA, by different means. You have telephoned certain officers and emailed them demanding they answer your questions and to respond to your frivolous requests. This must stop.

By way of this correspondence, it is demanded that you CEASE & DESIST from any and all direct or indirect communication with any member of SAPOA.

Under Penal Code §653m(b), "Every person who, with intent to annoy or harass, makes repeated telephone calls or makes repeated contact by means of an electronic communication device, or makes any combination of calls or contact, to another person is, whether or not conversation ensues from making the telephone call or contact by means of an electronic communication device, guilty of a misdemeanor." Electronic communication devices include but are not limited to telephones, cellular phones, computers, video recorders, facsimile machines, pagers, personal digital assistants, smartphones, and any other device that transfers signs, signals, writing, images, sounds, or data.

In addition, civil laws protect individuals from such harassing communications, which constitute an unlawful invasion of privacy. Further, members of SAPOA are public safety officials, rendering their telephone numbers and addresses confidential under state law. It is hereby demanded that you or any business you are associated with make no public display or post of this information. If you have posted or displayed this information it is further demanded that such post or display be taken down immediately pursuant to Government Code § 7928.215.

If you fail to abide by this demand, SAPOA will be forced through your actions to seek legal remedy against you.

Sincerely,

//s// Michael McGill
